

Product safety recall

Mojo Motorcycles Off-Road LANDBOSS LH1100-D vehicle

MOJO MOTORCYCLES PTY LTD

An off-road diesel-powered side by side utility vehicle used in farming and recreational off-road activities.

Reason the product is recalled

The handbrake cable has been incorrectly routed which may result in handbrake malfunction, allowing the vehicle to roll away when parked.

The hazards to consumers

Risk of serious injury or death including property damage if the handbrake fails to operate and the vehicle rolls away when parked.

What consumers should do

1. Stop use of the vehicle immediately.
2. Contact your nearest [LANDBOSS dealership](#) for urgent inspection and correction of the handbrake.
